### EXPRESSION OF CONDOLENCES AND SUPPORT

On behalf of the City of Cape Town, I hereby wish to formally express my sadness with the loss of life and destruction of property caused by the earthquake that struck Mexico City.

We want to extend our sincerest condolences to you and the families as well as friends of the people whose lives were tragically cut short in the above-mentioned unfortunate incident.

As mayors we have a strong sense of responsibility to protect the safety and welfare of our citizens, and for this reason, I share in your grief, loss and tragedy at this time.

Yours sincerely,
