Dear Governor Mancera:

We have been watching the news coming from Mexico City with great concern and sympathy. I wanted to let you know that my office has been flooded with calls from the San Antonio community asking for news and expressing support. We will be joining together in the coming days to figure out how best we may concretely show our solidarity with Mexico City and those affected by the earthquake.

We are working closely with the Mexican Consulate in San Antonio to best understand the challenges Mexico will be facing as it begins recovery and rebuilding. Response and relief from our community will be treated with the highest priority.

Please know that our thoughts and prayers are with you in these difficult times.

Sincerely,

Ron Nirenberg
Mayor of San Antonio
